

Design Advance - Bootstrap Components

- Aditya Kumar
Chief Technology Officer, edwisor.com

We will cover with the following concepts

- 1) What are bootstrap components?
- 2) How to use bootstrap components?
- 3) Simple components - only html based
- 4) Advance components - need javascript

Components are there to make our life easy

- <https://getbootstrap.com/docs/4.0/components>
- Simple components -
 - Cards
 - Buttons
- Advance components -
 - Collapse
 - Modals
 - Popovers

Next Steps -

- 1) Utilities
